

Covenant Canadian Reformed School

2022-2026

Authority: 9078 The Canadian Reformed School Society of Neerlandia

Accountability Statement

This five year Education Plan for the 2022/2023- 2025/2026 school year commencing August 31, 2022 for the Canadian Reformed School Society of Neerlandia was prepared under the direction of our Board of Directors. It is in accordance with our responsibilities under the Private Schools Regulations of Alberta and the Education Grants Regulations. The provincial economic and educational contexts provided the backdrop for this plan. The Board of Covenant Canadian Reformed School has used the Annual Education Results Report as well as stakeholder feedback to develop the plan here enclosed. We are committed to improving student learning at our school by implementing the strategies outlined below to the best of our abilities.

The Board of Directors has approved the five year Education Plan for 2022/2023-2025/2026 on May 24, 2022.

Mr. Morris Vogelzang

CCRS Mission

Covenant Canadian Reformed School is a parental, Reformed K-12 school operated by the Canadian Reformed School Society of Neerlandia. The basis of the Society is the infallible Word of God as confessed in the Three Forms of Unity. The purpose of the Society is to establish and maintain a school providing Reformed Christian education. Our mission is, together with our membership, to assist parents by training students for a life of service to God and their neighbour through biblical redemptive teaching.

Established in 1977 by members of the Canadian Reformed Church of Neerlandia, parents desired for their children to be educated in the fear of the LORD. Today, a supportive society of parents and other school society members works together to keep our mission both alive and relevant, in the current situation as well as in future planning. We believe that, “The heart of man plans his way, but the LORD establishes his steps.” (Proverbs 16:9). In keeping with this belief, we have outlined our *2022-2026 Education Plan*, which we hope will be a living document assisting us in ongoing planning for the delivery of high quality education of our covenant children and youth.

Five Domains in the Provincial and Local Context

Our *2022-2026 Education Plan* will function as a rolling plan. This will allow for adaptability, bi-annual review, and the opportunity to make adjustments as necessary. The five domains for future planning, as outlined by Alberta Education, are: Student Growth and Achievement, Teaching and Learning, Learning Supports, Governance, and Local and Societal Context. With these domains in mind, our plan has the five focus areas as outlined below.

Looking Back to Move Forward

To establish our focus areas for the *2022-2026 Education Plan*, we collated feedback from our Annual Education Results Report, our school's Parental Advisory Committee, stakeholder feedback obtained through various surveys on our last plan's domains, and informal dialogue with parents and students.

CCRS' Focus Areas

1. Infusing God's Word intentionally throughout the curriculum
 2. Increase growth in literacy outcomes
 3. Expanding High School potential for students
 4. Developing school-wide information technology capacity
 5. Establishing local engagement protocols for our stakeholders
 6. Familiarizing ourselves with and implementing the new K-6 curriculum
-

1. Student Growth and Achievement

1.1. Increase growth in literacy outcomes

Data Analysis:

1. Provincial Measures

- ELA PATs

2. Local Measures

-Within the context of divisional meetings, teachers have identified frustrations with lack of consistent programming from K-6 in ELA

- Within the context of divisional meetings , teachers at the high school level expressed concern with low reading comprehension abilities among their students.

3. Stakeholder Feedback

- Within the context of anecdotal conversations, parents expressed concern over the variety of different ELA resources used from K-6 and the lack of consistency

Objective	Strategies & Timeline	Budget	Responsibility	Measurement
<p>1.1.1 ELA curriculum is coordinated across Grades 1-9 to increase literacy competencies</p>	<ul style="list-style-type: none"> - Develop a cohesive scope and sequence for Grades 1-6 ELA - Use consistent primary resources, strategies, and vocabulary to increase learning and reading comprehension - Use <i>Reading Power</i> framework to teach reading comprehension from Grades 1-6 - Use <i>Words Their Way</i> spelling program across the Grades 1-6 -Transition to <i>Handwriting Without Tears</i> for Grades K-5 -Implement <i>Wordly Wise</i> vocabulary program in Gr. 7-9 	<p>2022-2023 Educational Resources budget</p>	<p>CCRS Team: professional staff and support staff</p>	<ul style="list-style-type: none"> -Parent and staff satisfaction surveys -Annual assessment of reading levels -Alberta Education Gr. 1-3 reading assessments

1.2 An increased number of students, to a 70% rate, transition to a post secondary program or an apprenticeship program after high school

Data Analysis:

1. Provincial Measures

- In our AEAM results, our 4 year rate of transition from high school was about half of the provincial rate.

2. Local Measures

- Our graduation surveys, both formal and informal, indicate a low percentage of students transitioning into some sort of postsecondary academic pursuit

3. Stakeholder Feedback

-Through our PAC survey, parents and community members have expressed thankfulness for the role of our newly-minted Academic Advisor/Career Counsellor. With this, there were multiple responses asking our school to continue on with this and expand it further.

-We have also received informal feedback from parents regarding a feeling of being overwhelmed and lack of understanding concerning high school options such as the Green Certificate, Work Experience credits, the RAP program, how to navigate MyPass, and the like. Parents want this knowledge to help their children best prepare for post-secondary options.

Objective	Strategies & Timeline	Budget	Responsibility	Measurement
1.2.1 Students have consistent access to a Academic Advisor/Career Counsellor	Have our AA/CC meet with all students in Gr. 9-12 by the end of Term 1 Have our AA/CC meet with all students in Gr. 9-12 again by the end of March	2022-2023 Educational Resources budget	CCRS Academic Advisor/Career Counsellor	-Parent and staff satisfaction surveys
